See application for pricing. **Trailers are not permitted in the booth space unless they can fit within the marked area of your booth.**

Food/Concessions Vendors

Food vendors play a very important role in the Park County Fair – Without you our fair would not be as successful. We understand our customers want restaurant-quality food in fast food time, and that's what you provide. We encourage you to make your booths appealing to customers - bright and colorful during the day, and well-light during evening business hours.

Please make sure you indicate on the APPLICATION the booth size that will allow you enough space for your trailer hitch, storage, prep area and garbage. If you have a 14' trailer with a 2' hitch, you will *NOT FIT* in a single booth space, which is 15'x15'.

All trailers, stands and/or structures must be professional looking, in good repair, structurally sound, neat in appearance and meet current City Fire Codes. Disability access must also be considered.

PREP AREAS, STORAGE, GARBAGE & GREASE MUST BE CONCEALED.

It is the PERMITTEE'S responsibility to determine what to charge for products and services. The FAIR SUGGESTS the average price point for a meal be \$7 - \$8. People tend to buy more if the price point is in this range.

As you are aware, food moves so quickly during the fair, that food safety is rarely an issue. If there is an issue with food safety, it usually happens on opening day when there aren't as many people on the grounds and food isn't moving as quickly. Please plan accordingly. Smoking, eating, and drinking is prohibited in the preparation or serving areas.

We encourage food vendors to have large, legible, lighted signs with every item and price listed. Signs should be placed high so people in line can read them. As you are aware, many people make the decision of what to order before they get to your window. **HANDWRITTEN SIGNS ARE NOT PERMITTED** – however, whiteboard or chalk board pricing signage is okay to use.

Condiment areas need to be very clean and well-serviced.

The queue line to your booth must be managed to allow for foot traffic. Invite your customers to create a serpentine line in front of your booth / trailer to avoid blocking traffic. Consider portable barriers to help your customers form a serpentine line in front of your booth.

J & S Ice provides ice for the vendors at the Park County Fair. If other arrangements have not been made, you may obtain ice by visiting the North Fair Office located on the northeast corner of Homesteader Hall.

All full service booths or mobile food units must meet the requirements of the Wyoming Food Service Regulation set forth by the State of Wyoming, Department of Agriculture Consumer Health Services Inspector. The Health Services Inspector may impose additional requirements to protect against health hazard related to the conduct of the food service establishment, may prohibit the sale of some or all potentially hazardous foods.

Please accept Park County Fair and Jr. Livestock Sale meal tickets from our superintendents, clerks, judges, employees, buyers and prize winners. The value of each ticket is \$8.00. If their purchase is less than the full amount, please give the change back to the individual. The Park County Fair will reimburse you the FULL \$8.00.
